1. We note your disclosure that Adjusted EBITDAR is presented on a consolidated basis outside the financial statements solely as a valuation metric and that it should not be viewed as a measure of overall operating performance. We further note your inclusion of Adjusted EBITDAR margin on a consolidated basis. Please tell us what consideration you gave to your inclusion of this margin resulting in Adjusted EBITDAR also being viewed as a measure of your overall operating performance. This comment also applies to your earnings release.
